CARE FOR THE PLANET AS WELL AS YOU CARE FOR YOUR PUP

Our radically sustainable ingredients dramatically reduce your pup's environmental pawprint.

COMPARED TO TRADITIONAL KIBBLE, EVERY CUP OF PETALUMA:

Reduces
2.5 pounds
of greenhouse gas
emissions*

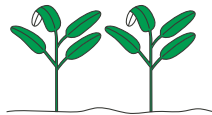

Similar to the CO₂ generated to power a refrigerator all day

Saves
29 gallons
of freshwater

More than what goes down the drain in daily showers

Reduces
70 feet²
of land use impact

Enough to play a game of fetch

Contains
0
animal-derived
ingredients

Spars animals from inhumane factory farm conditions

*Reflects the direct reduction in greenhouse gas emissions from our more climate-friendly approach to growing, baking, and packing the food. We then offset all remaining greenhouse gas emissions for an even larger impact.
